Lea Valley Group TRunnion #20171 Photo Supplement (Page 1 of 2)

To get everyone thinking about photos for the 2018 calendar, here is a selection of last year's submissions and a few others from TRunnion and Facebook, including standard photos of cars and people in scenic places or at events, plus a few quirky and arty photos.

Editor's note: Grateful thanks and acknowledgement to all who originally supplied these photographs and apologies for a rather less than artistic layout due to technological and time constraints. Hopefully, these examples will inspire more members to submit not only photos, but ideas for possible themes for a wall calendar for 2018 that will appeal to all members.
