KVG to France

9th - 24th September

- We are organising a two-week trip next September to Angouleme in the south of France. Sat 9th - Sun 24th September, two days of this will/can be spent watching the Circuit des Remparts races at Angouleme.
- These consist of a fabulous day of racing round the streets of the medieval town, which is the only one of two street circuits remaining in Europe after Monaco. Ten different races are held for every age and type of car, including vintage Bugatti's - genuine £1m cars, racing wheel to wheel, plus everything else from muscle cars to Minis.
- Approximate costs are: £900.00 for 14 nights in the Chateau, £400.00 ferry, and £100.00 for the last night hotel, plus petrol. Because it is self-catering, you have the option of cooking for yourself, or going out for meals, and we usually mix the two.
