TR Register News

New Events Director - role will be filled by Terry Smith who was co-opted at the club's last board Meeting.

- **The role will fulfil the following objectives:**
 - To collate information and suggestions from members for potential events.
 - To initiate and take the lead on events organised and attended by the club.
 - Provide guidance and support to office staff on building a diverse diary of events for the benefit of club members throughout the year.
 - Work with press officer to help maximise promotion for the club events.

New Italia Registrar - Graham Andrews steps officially into the role of Italia Registrar having taken over the reigns from Paul Harvey due to ill health. Graham has already got his teeth stuck into the centralisation and digitisation of records using the TR Register database and is picking up from the hard work and strong foundations already laid by Paul Harvey.

Graham is the owner of a stunning Triumph Italia which has won the Concours D'Elegance multiple times at the TR Register International weekend, this year scooping the Masters Class and going on to represent the TR Register at the Meguiars Champions event at the 2017 NEC Classic Motor Show.

TR Register News C4RFest South

The TR Register added to the nostalgia of the Vintage Village at C4RFEST South on Jody Scheckter's Laverstoke Farm site. Each of the three days of the event, the TRR presented five TR's with TS2 as the prime attraction each day.

A VERY BIG thanks to all those TR Register members that attended with their super TR's and helped to put on such a great display for the general public and to helped raise funds for Children in Need, your contribution to attend raised £720.00 plus a portion of whatever you spent there on the day, a great result and again thank you!

KVG to France

9th - 24th September

- We are organising a two-week trip to France, September to Angouleme in the south of France. Sat 9th - Sun 24th September, some days of this will/can be spent watching the Circuit des Remparts races at Angouleme.
- These consist of a full day of racing round the streets of the medieval town, which is the only one of two street circuits remaining in Europe after Monaco. Ten different races are held for every age and type of car, including vintage Bugatti's - genuine £1m cars, racing wheel to wheel, plus everything else from muscle cars to Minis.
- Approximate costs are: £900.00 for 14 nights in the Chateau, £400.00 ferry, and £100.00 for the last night hotel, plus petrol. Because it is self-catering, you have the option of cooking for yourself, or going out for meals, and we usually mix the two.

It's Christmas ☺
