## Pheonix Classic - New Years Day

3 KVG & members cars attended

Exciting first classic event of 2018, the Vintage Sports Car Club loosely organised the Phoenix Inn meeting, although multiple car and motorcycle clubs participate in the event, making for an interesting mix of vehicles. Participants included pre and post-war Aston Martins, Hispano-Suiza, American muscle cars and hot rods, modern Porsches and Ferraris, Jaguars, Austin-Healey 100S and more:

## V765 Scheme

The DVLA's rules for the V765 scheme, under which original registration numbers can sometimes be recovered, require that the vehicle be inspected by the club prior to certifying the V765 application.

Therefore, applicants should now initially phone Jo Whitty on 01235 818866 to discuss their particular circumstances. Jo Whitty will then consult with the DVLA club officers and advise as to which signatory of the club will be able to assist with the inspection procedure.

The cost of a V765 application will be £30 for members and £100 for non-members payable to the TR Register. In addition, if the vehicle cannot be brought to a signatory or other volunteer for inspection then a charge for travel expenses will be charged at 40p per mile. All fees are to be paid prior to the inspection being carried out. The TR Register reminds all applicants that there is no guarantee of success.

**Call Jo Whitty on 01235 818866 or email [office@tr-register.co.uk](mailto:office@tr-register.co.uk).**

## A sigh of relief as updates to Vehicles of Historic Interest guidance are released.

As a result of concerns expressed by member organisations of the Federation of Historic Vehicle Clubs and classic vehicle owners to the proposed definition of 'Vehicles of Historic Interest', the DVLA / DfT have issued revised guidelines.

The Guidance sets out the definition of a Vehicle of Historic Interest (VHI), vehicles that will, from May 2018, be entitled to be exempt from taking a vehicle (MoT) test and supersedes all previous potential criteria released for discussion earlier this year. The FBHVC have been locked in talks with the DVLA and DfT since the announcement of the new MOT exemption legislation back in September. When the news first broke, there were some worries over the scrapping of the 8-point system rule in favour of a measurement of power to weight ratio gains.

The implications for the future of the classic car movement were significant and worrying and were covered in our earlier article [here](http://www.tr-register.co.uk/article/2017/10/0113/DVLA-and-DofT-changes-What-you-need-to-know). <http://www.tr-register.co.uk/article/2017/10/0113/DVLA-and-DofT-changes-What-you-need-to-know>

# Graham Robson interviews at Beaulieu

- **Friends of the National Motor Museum Trust**

- Members: £7.50
- Non Members: £10.00

- 10<sup>th</sup> March 2018 – 19:30

- Motorsport historian, Graham Robson interviews our guest this evening, David Richards. David is the Chairman of Prodrive, Chairman elect of the MSA and former Chairman of Aston Martin.
- David Richards spent eight years as a professional rally driver becoming British and Scandinavian champion and concluded his competition career by winning the World Rally Championship as co-driver to Ari Vatanen in 1981.
- David then devoted his time to developing his business interests, which led to the formation of his own motor racing team and the creation of Prodrive, now a world leading motorsport and advanced technology business.
- Since 1984, Prodrive has won six FIA World Rally titles with Subaru; four British Touring Car championships; five class wins at Le Mans; and are reigning FIA World Endurance Champions.
- Today, Prodrive runs Aston Martin Racing in the FIA World Endurance Championship but also has a growing reputation for the development of advanced engineering solutions.
