Scenic Car Tour trips are very informal. They book the hotel and give you a fully flexible ferry ticket from Dover to Calais. They provide you with their suggested route, and a selection of trips you can make each day

The whole trip is a gentle tour, with a run of just 145 miles from Calais to Leuven, and no more than 100 miles or so each day, or less if you don't want to visit all the sights but just chill out in one of Leuven's many street cafés. It would be an ideal first trip for someone who has not done any Continental touring in their TR.

Cost is £239 per person for three nights, or £179 per person for two nights, plus £70 if you want to spend the night in Folkestone.
