Cars have to be on site from 10:30 and you are free to leave as and when you want. This is likely to be a popular event with the classic car community and a wide range of classic cars is anticipated to be in attendance with a number of trade stalls and the option to enter your car for judging in the concourse events

Cost for vehicle including drive and passenger is £5 please email trredrose@hotmail.com confirming name postal address and car registration. Tickets will be posted to all entrants prior to the event

May Review

It seems like we may finally have the long awaited barbeque summer we have been promised for so long.

Red Rose members have been making the most of the sunny weather attending events across the country.

Along with our monthly meeting we had cars at the ever popular Traws weekend, the Marches Spring Festival in Ludlow and a great turnout at Gawsworth Hall Car Show.

Over the May bank holiday weekend we had six cars on The Weaver Wander navigational run although one car didn't arrive home quite as planned and three cars spent a lovely sunny day at Capesthorn Classic Car and Bike Show.

Junes arrival and was not so flaming for the first day of the Tatton Park Car Show! A bit of a soggy start but things did improve by Sunday with the sun was shining. We had about 30 cars attending over the two days and the combination of Tony Sherin's car parking skills and the new Red Rose TR information plaque, courtesy of John LeLue, resulted an excellent display .

Closing date for August Tatton is 30th of June so don't hesitate registering your interest as there were a few disappointed members who left their application too late for the June event

Red Rose events team is currently focused on the main event in our calendar this year TR FEST which takes place at The Antrobus Village Hall on 4th August.

It's now less than 60 days away and places are starting to fill up so if you would like to come along to what promises to be a great day email trredrose@hotmail.com for further information and to confirm your place.

We still need items for the tombola and the car parts bring and buy so have a good hunt round for any unwanted items and bring them along, you might even make some money!

Our August Antrobus meeting on the 12th is on the move! We are doing something new and combining it with a day out at Stoneyhurst Classic Car Show Clitheroe. If you would like to join us please email trredrose@hotmail.com as places are limited.

Antrobus Meeting 10th June

Antrobus meeting on the 10th of June will have a packed agenda including forth coming summer events, important TR Fest news, TR Register International information, summer shows and details of the Red Rose Summer run on the 15th of July.

Whilst the new Antrobus Arms isn't as hoped we have spoken with the new landlord and he is keen to help us make it work for our future meetings.

We are however keen to hear from anyone who is willing to take on the role of organising an alternative venue which would offer similar facilities to the former Antrobus Arms
