TR Register News

MAC's sprint weekend at Curborough took place in full sunshine with the Revington TR / TR Register Sprint and Hillclimb Championship bringing along 16 entries. Fastest of the TR's was Steve Small in his TR7V8 with a time that was more than 1 second faster than second place Clive Letherby in TR6.

The other sub 70 second times were Bob Barnard TR4 69.59 and Jim Giddings 69.58.

Blyton Park is a test circuit. It's a hugely enjoyable drive, on silky smooth tarmac cut into an old concrete airfield with just one length of Armco protecting a ditch down one of the straights. But don't worry you'll need to tankful of petrol just to reach it.

We will be running an open pit lane for much of the day so you will get plenty of track time. If there's a demand we'll also run a few nervous / first time driver sessions where we will have fewer cars on the track.
