TR Register Chairman – Resignation

“As the Chairman of the TR Register, one has to act not only to keep the club within the law, but also with due regard to protecting its image and integrity. Separating personal issues from club responsibilities is not always easy and I inadvertently entered into a private transaction that compromised the integrity of the TR Register Car Club.

Therefore, in order to protect the reputation of the TR Register Car Club and its officers, I have volunteered my resignation from the Board of Directors with immediate effect. I would like to take this opportunity to state that my resignation is entirely my own decision and has been made without any undue pressure from my fellow Directors, whom I thank unreservedly for their understanding of the situation.”

Vice Chairman and Membership Director, Allan Westbury will stand in as acting Chairman until the Annual General Meeting on 25th November 2018 and work by the management team and staff at the club will continue as normal. No further statements will be made at this time.
