

KVG ROUTE BOOK

John and Jackie have selected a route from Wellington Farm Shop to Hollycombe Steam Collection near Liphook.

The following pages detail the route we have selected for you. **There is no strict requirement to follow this, but it has been planned to give you plenty to see on your way to Hollycombe Steam Collection.**

Please leave Wellington Farm Shop at intervals to avoid a long convoy of vehicles upsetting residents en-route.

The instructions are given using the traditional “Tulip” system. To follow the selected route, you are approaching from the solid dot and leave by the arrow.

The first example is a crossroads, where you turn right (T rt)

Ex 1.

This second example is a roundabout, where you will be taking the second exit, (Straight across).

Ex 2.

The third example is where you are leaving the Main Road and turning left at a junction (T lt)

Ex 3

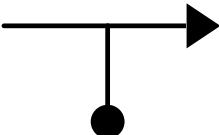

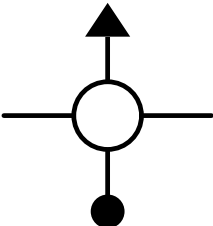

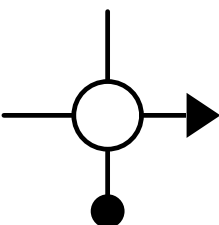

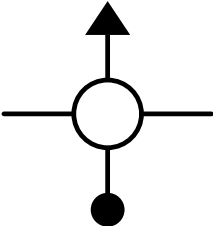

NB If there is no instruction stay on the Major Rd.

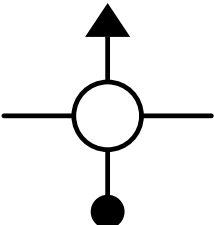

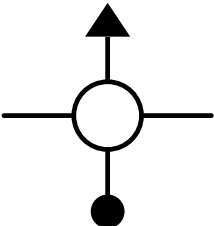

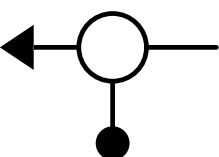

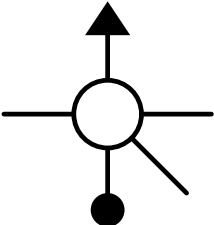

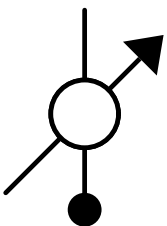

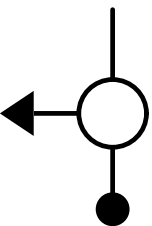

The First Column in the Route Book gives the total mileage from the start of the event.

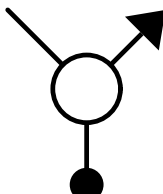

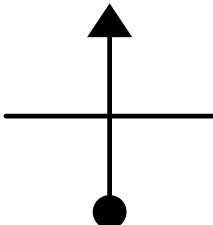

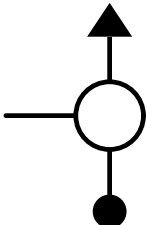

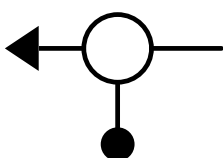

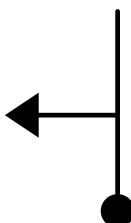

The Second Column gives the Intermediate mileage, the distance in miles from the previous instruction.

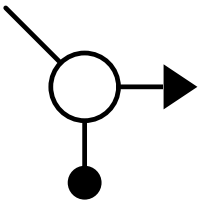

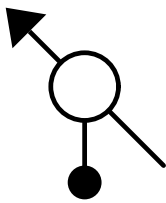

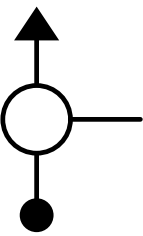

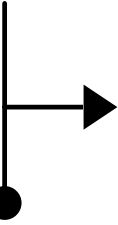

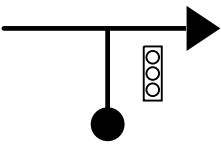

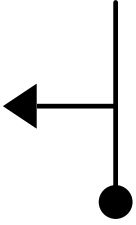

The Third Column shows the direction you must take to the next instruction (the Tulip Diagram).

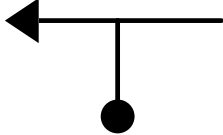

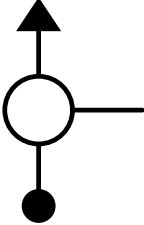

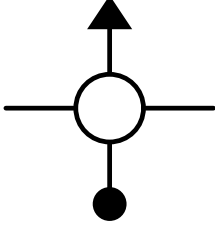

The Fourth Column gives information on the direction to take or information such as Village signs.
