

Burghclere Sports Club & Miniature Railway Family Fun Day 26th May 2019 Display vehicle entry form

Thank you for expressing an interest in bringing your classic vehicle to the Burghclere Family Fun Day. We welcome all vehicles of interest and previously enjoyed a wide variety of cars, bikes, and commercial vehicles enjoying the entertainment. As last years great event there will music and of course teas coffees, various stands and the all important bar! We are looking forward to a great event including the run of the extended Burghclere Miniature Railway. We want to make this a very special day so are hoping to have a good showing classic vehicles and bikes on show.

So we can get numbers of attending display vehicles and mark out the area appropriately, please could you complete this form and email to ralphc@ccisglobal.com.

19th May 2018**

I will be bringing the following vehicle(s)

Vehicle type	Make	Model	Year	Registration

Please note that vehicles are displayed and left at the owner's risk but we do aim to have a rota of volunteers within the vehicle area during the opening times of the event. Vehicles should arrive no later than 12:30 on the day of the event and, unless previously agreed, cannot be driven around or moved in the display area during opening times. You are welcome to sit by your vehicles should you wish to do so. There will be allotted times when vehicles will be able to leave the show and these are likely to be late afternoon, however, if you have a specific time in mind please let us know. The entrance to the ground will be advised closer to the time. Finally, please bring your mobile phone with you on the day so that we can contact you if need be.

If your plans change and you are unable to make it or want to change the vehicles you bring along, please let us know.

Please let us know if you have some friends with a classic vehicle who would like to join us for a great day.
