‘No Where is far in a TR!’

- **Lacock Village - Drive & Eat**

Kennet Valley TR Group enjoyed their last run of 2019 which was to Lacock Village. The village is owned almost in its entirety by the National Trust and attracts many visitors by virtue of its unspoiled appearance.

Arranged by Denis & Val Carter, 7 KVG cars (no TR's as they were all tucked up in their warm garages) that met at Tot Hill services (A34), and took the Tulip Run (John & Jackie Edmonds) which ambled through Ball Hill, Kintbury, Sanham Green, Burbage, Pewsey, Alton Barnes and finally to Lacock.

Visitors will be brought in and out of the venue via two separate crossings of the racecourse to avoid build-ups of traffic and there will be an additional exit gate to the entry gate used at last year's event.
- The venue also has announced improvements to the surfacing to make the track crossings smoother.

Classic and Sportscar Awards.

- The award for Event of the Year at the NEC was scooped by the TR Register's Youth Group, Morris Minor Young Members and MG Car Club Young Members for their superb collaboration in organising TyreFest, the annual event for all car club young member sections.
