2020

RED ROSE SEPTEMBER BULLETIN

Life In Lock Down Month Six!!

Can you all believe its September already! There is a definite feeling of autumn in the air and the nights are starting to draw in, I feel like the year is going to be over before it even got started!

Finally though some of us have been able to get away in our cars during the last month while others have taken to the waterways on canal boats or got the caravan out for the first time

CONGRATULATIONS!

Congratulations to Phil Moss and his wife on the birth of Oliver James Moss who was born on the 18th July

I imagine he's having a few sleepless nights at the moment! We wish them all well and hope to meet the new addition soon

August

Well it was a long time coming but August saw Red Rose joining forces at The Gold Cup with Shropshire, Stoke, North Wales and Cumbria. A big thank you to Bob Eccles for sorting out the tickets and to all those who helped set up and take down the stand

There may be a pandemic on but at least the weather was kind to those that attended.

There were 27 cars on the Sunday and 43 on the Monday. It was lovely to see so many familiar faces and cars! I think there was more chatting going on than race watching though .All done at a social distance of course!

Gold Cup

Red Rose Lads out for the day

Jonathan and Caroline's Tour of Yorkshire

The Cock at Budworth

As we reported last month the pub has now reopened but as yet we are still waiting on further guidance from the register on when we can resume our monthly meetings and given the current government guidelines on large groups meeting up indoors I don't think we can safely do this at the moment

Looking forward

At the moment the calendar is not looking very busy but we hope to see some of you on the Weaver Wander or at Cholmondeley Castle Classic Car and Motor Bike Show if it goes ahead. (see below for details)

NEW DATE! Weaver Wander

This event has now been rescheduled for Saturday 12th September

The details below are taken from their website

*We are pleased to announce that the rapidly improving situation concerning the COVID-19 pandemic in the UK has allowed us to now proceed with this year's Weaver Wander on **Saturday, 12th September.***

We have conducted a series of detailed assessments on the health risks associated with the event, focussing principally on the registration and

collection of cars and entrants at Nantwich Football Club, along with the arrangements & plans for the destination at Hankelow Hall.

We can still carry out registration inside Football Club and all that will change will be the implementation of a 'one way in – one way out' system along with the required social distancing measures in the Club. We can allow access to the lift in the front entrance for people who need it & tea/coffee and bacon baps will be available. There will be extensive provision of hand sanitizers etc on site and comprehensive signage everywhere.

The facilities at Hankelow Hall will be held in the 'open air', we will be able to ensure that we meet the recommended 'social separation' requirements, particularly with regard to the catering and toilet facilities. Again, hand sanitizers will be provided throughout the site & we will be assisting with appropriate 'distancing' in the parking of the cars.

We will be contacting all entrants, who have provided us with their entries, separately by E-mail, to confirm that the postponed event is proceeding as planned. If any of the current entrants are not able to attend on the 12th September, we are able to offer refunds.

Naturally, we are delighted that we can proceed with this year's Wander after a long period of inactivity and we are confident that the precautions we are taking are fully in line with the current Government COVID-19 guidelines and we will ensure that the staging of the event is completely safe.

We have planned 3 separate routes comprising:

2 – 80 mile routes and a 50 mile route for older cars & those of you who may wish to have a rather more relaxing day of motoring.

We will hold the Registration at Nantwich Football Club under strict adherence to the latest COVID-19 guidelines, which we will detail in early September.

Unfortunately, we will not now be able to hold the 'Start Parade' through the centre of Nantwich, as in previous years, due to the restrictions on traffic movement through the centre of Nantwich

We have been asked if there is any age limit on cars/vehicles that can be entered for the Weaver Wander – answer – there are no age limits & all we require is that the car/vehicle is 'Road Legal'. We also welcome motor bikes and we had 2 very interesting entries last year.

Our plans for this year's Wander will take us again to Hankelow Hall and further details of the arrangements at Hankelow will be announced early in September.

BEAR TOWN ROAD CRUISE 27TH SEPTEMBER NOW FULLY BOOKED!

This event is now fully booked and they are not taking any more entries

CHOLMONDELEY CASTLE CLASSIC CAR AND BIKE SHOW

This event is scheduled to take place on Sunday 20th September

A final decision will be made this week on whether this event will be going ahead so please check their website for details on this and how to get tickets

End Of The Year

We are very much hoping that we will be able to have a run towards the end of the year and any suggestions would be most welcome. Unfortunately however it is not going to be possible to have our quiz or our usual Christmas celebrations this year. We will just have to make it bigger and better in 2021!

PLANS FOR 2021

2020 is proving to be a bit of a wash out in terms of car events so we all need to look ahead to next year more than ever and start making plans!

Suggestions so far include a holiday to France, A weekend in Wales with a visit to Portmeirion and the ever popular Coast to Coast. If you have anything you would like us to look into doing in 2021 please email us at

trredrose@hotmail.com You all have plenty of time to come up with ideas so get your thinking caps on!

We will be back next month with another bulletin and hopefully we will see some of you at one of the remaining planned events. **STAY ALERT AND STAY SAFE! AND DONT FORGET YOUR MASK!**

Future events

September

- 12th September – Weaver Wander – see above for details
