May 2021 Virtual Club Night - News & Events

6th May 2021

Kennet Valley TR Group

Finally 😊 - Nowhere is far in a TR!

- **Drive it Day**
- Kennet Valley Group finally got out in their TRs & Stags after being locked down for all those months, due to restrictions, the day was organised slightly different. Everyone had the same route and 14 cars set out but to help comply with the rules, 7 cars from each end of the run.
- Members mustered at Chieveley and Tothill Service areas so there were refreshments and comfort stops easily available at each of the run, each group of cars set out at 11:30 following the excellent Tulip route compiled by John & Jackie Edmonds (**BIG THANKS**) enjoying exercising the cars and taking in the Berkshire countryside.
- A picnic was enjoyed at the Vine after the run, thanks to Emrhys & Linda Barrell.

Using Your Triumph

- The TR Register is committed to following the latest UK Government advice on events and public gatherings. Back on the 22nd February, the Government announced its planned roadmap out of the current COVID restrictions. Due to devolved powers, the roadmap for England , Wales, Scotland and Northern Ireland varies - see the heading Regional Advice below and follow the links to find out what applies outside of England.
- The 'Stay at Home' message is now rescinded, we should will now see non-essential retail and outdoor hospitality opening from 12th April which means we can use our TR's for events as long as we don't congregate in groups of more than 6 people and keep social distance, this will be followed by indoor hospitality, pubs and restaurants from 17th May.
- There is still 'cautious expectation' is that after 21st June 2021, restrictions will be lifted sufficiently enough to allow the TR Register to resume 'normal' social gatherings, events and local group monthly meets. We do not expect to be able to run social gatherings until after the 21st June 2021 at the earliest.

TR Register Coronavirus Guidelines

- We all have heard the rules, so please take care and let's stay at home where possible.
