- **NW Region 50th anniversary event and Oulton Park Gold Cup 28th- 30th August - pre booking require NOW!**

FULL DETAILS AND HOW TO GET TICKETS CAN BE FOUND FURTHER DOWN IN THIS BULLETIN

We hope you are all well and enjoying the sunshine. June is certainly living up to its name so far and has indeed been “ flaming”! which has made a nice change from the monsoon conditions of last month !

Apologies for the lateness in posting this month's bulletin but we wanted to wait till Boris had made his announcement on the 14th before giving out information that we may then have had to change.

Sadly the delay on the lifting of all remaining restrictions will mean that some of our plans may have to be altered

May

Not a great deal going on in May with the TR's, partly due to the weather and obviously the COVID shadow still continues to spoil proceedings

Some Red Rose members did manage to get out this month though. Ann and John Thorpe organised a run to Manley Mere on the 18th were a good day and a nice lunch was had by all

Then on the 30th the sun shone for those who went to Capesthorpe Hall for the Classic Car and bike show. It was lovely to meet up with some familiar faces at long last and have a look at the cars

There are still lots of you putting posts on our Facebook page and we all love to see anything you have been up to especially your holiday pictures so don't forget to take some if you are lucky enough to be going away this year. We have had some lovely photos of Cornwall from the Biddulph's despite the rather unpredictable weather

Upcoming events

Classic Cars On Lytham Green Sunday 27th June

A Red Rose member has contacted us about the above charity event. it is scheduled to take place at Lytham Green, Lytham St Anne's Lancashire FY8 5QH

The entry cost is £15 per car in aid of Rosemere Cancer Foundation and gates open at 9.00am

As far as we are aware this event is still going ahead but the event organisers can be contacted on 07814550163 or at classiccarsonlythamgreen@gmail.com

July Meeting

Sadly given the fact that restrictions are now not going to be lifted on June 21st we will have to postpone our monthly meeting at The Cock @ Budworth once again

We will resume the meetings again once all restrictions have been lifted and we have the go ahead from The TR Register

Joint Club Run TR's Head For The Coast

This was supposed to be a post lockdown run on 4th July organised by Chris Mountford from The Stoke group

Due to the delay in lockdown restrictions being lifted we will have to await confirmation from Chris regarding whether it can go ahead as planned

We will let you know as soon as we have spoken to Chris and have more details

Lydiat the Car Show

(As this is an open air event we have to assume it will still be going ahead with social distancing measures in place)

Mike Grimes put the following post on Facebook

Lydiat Car Show (4th JULY) may be going ahead. Numbers are limited to invited groups so I need an early indication if you would like to come so I can reserve with organisers

If you would like to attend please email us at trredrose.co.uk and I will pass on to Mike

TR International Weekend 13th-15th August

Despite the recent announcements I feel sure this event will be going ahead as planned albeit with the possibility of some restrictions still being in place. Fingers crossed though all restrictions may have been lifted by then

All details for the weekend can be found on the TR Register website (accommodation is going fast so be sure to book early to avoid disappointment)

Ticket numbers are also limited so don't delay in ordering yours

Tatton Passion for Power 21st -22nd August

If you would like to attend this event please email Bernard Hayward ASAP at bernard.hayward@outlook.com

He will need your car model and registration and what day/days you are attending

NW Region 50th anniversary event and Oulton Park Gold Cup 28th- 30th August

At this moment in time we have no reason to suspect that our event will not go ahead as we had originally planned

As it currently stands all restrictions will have been lifted before our event is due to take place so we will hopefully not have any problems

Just to confirm once again those who booked last year have had their deposits carried over and the room rate will remain the same

There are still rooms available till the end of June so if you would like to come and join us there is still time to book your room!

Please contact the hotel direct MacDonald Portal Hotel Golf and Spa 0344 8799082 and ask for Chloe who is the events manager

If you don't wish to stay but would like to join us for the meal on the Sunday evening please email us so we have an idea of numbers

I have emailed Chloe this week and as soon as I have more details I will contact everyone who has booked

I will email a menu to all those who are booked on for your choices as soon as I have them

We are planning on having a raffle after our meal on the Sunday so can you all please have a rummage round to see if you have any unwanted gifts that you can donate (new and unopened please)

Oulton Park Gold Cup Tickets

The following are the charges presently showing on the Gold Cup website

Weekend Tickets Sat to Mon inclusive £35 Sat- practice only £10

Sun- driver £22 / passenger £22

Mon- driver £22 /passenger £22

However the good news is that for both the driver and passenger in a classic car the above prices will be reduced by 50%.if pre booked

Please let Bob know if you would like tickets include your name, car make and model and the day/days you will be attending bob.eccles237@gmail.com

That's all for now folks but we will be back next month and let's all hope that there is some more positive news regarding the lifting of restrictions and we can start to look forward to a bit more normality

Take care everyone and hope to see some of you at an event very soon
