Happy August everyone!....well - it's all been happening in the month of July - record temperatures - TR & MG International cancelled - what next!!!

July has been another busy month of events for us, 6 of which I have included with some great photos, thank you to everyone that has sent these in for me to share with you. August is again a full diary, our feature this month is hosting the TS2 over the 7-8-9th, hoping that we see as many of you as possible over those few

days that we have this iconic car. I have 11 drivers signed up so far, so you may well see us driving around - give us a wave if you do! The other big event this month is the TR & MG Weekend that has now morphed into the Great British Car Journey - hopefully still a great couple of days out if you fancy it. Whatever your plans are, I hope we see as many of you as possible over the next few weeks out and about enjoying your cars.

Here's hoping that this month will be a little cooler?!?

So what has July given us;

Our Local Group News

Our Whistle Stop Melton Mowbray & Stamford Visits;

A Sunday in July, with nothing in the diary, I thought it would be a day in the garden or just pottering around the house - maybe catching up on a few jobs....but oh no - Phil had other ideas!....out in the car to visit not just 1, but 2 shows....

Melton Mowbray Vintage Craft Fair & Classic Car Meet

We had seen this flyer when we Googled "Classic Car Events what's on today", so with a coffee flask and picnic packed, off we headed to Melton Mowbray.

We arrived just after noon in the town and found a place to park - all show exhibits were in the centre -

having obviously arrived many hours beforehand.

A stroll through the centre amongst a variety of cars and stalls, I think it is fair to say - a small show for the cars (July anyway) with an interesting mix of marques and an hour or so walk around, so worth the drive over.

Coffee drunk and picnic eaten, then we were off to....

Rolls Royce Enthusiasts Club Annual Rally at Burghley

We drove into the Burghley estate, and were told by a very helpful attendant, that if we wanted to enter and park in the event, it would be £60 for the car. Bearing in mind it was now past 2pm on the Sunday afternoon, and also being as tight as you like, we took the option to park approximately 200 yards away and walk up the path - for free - no brainer really!! Some beautiful cars on display, and in the marquee they were starting to unpack the silverware for presentation to the winners of the various categories that had been judged on the day - definitely needed G4 there! There were cars from across Europe and also as far a field as Australia and New Zealand - pretty long road trip for them, especially with the price of fuel :-O

A beautiful setting, and that a backdrop for the cars - just lovely!

We also had the privilege to see this car that had been restored, and estimated now to be worth £3-4 million - wow!

An Afternoon at the Wallis's

No breakfast meet this month, as we had a fabulous alternative of an afternoon tea in Graham and Barbara's garden - perfect!

The weather was beautiful, and a lovely gathering of members enjoyed a brew and homemade cakes - topped off with a celebratory Happy Birthday sung to Peter T to celebrate his birthday on the day!

A beautiful array of TRs littering your driveway - lovely - I hope your neighbours appreciated them!?!?

Kimbolton Country Fayre

After a break of year, the Country Fayre at Kimbolton re-emerged as good as ever. Well organised and supported by the Rotarians and Sporting Bears, from the point of arrival to departure, they were there in full force.

Another beautiful day added to the splendid surroundings of Kimbolton Castle, we certainly benefitted from the gorgeous shade of the trees, which we regularly had to move towards as the sun moved overhead;

Maybe not so many cars on display this year, although the show itself was as strong as ever - multiple trade stands and events going on throughout the day.

We were even entertained by beagle puppies in training - lovely;

Club Night - Wistow

On the hottest day of the year so far, a few brave souls made it to the beer garden in the shade, a very sultry 38+ even at that time of the night.

The 3 Horseshoes opened their restaurant and had pizza on for the menu that evening, Claire & Eric very much enjoyed theirs.

The shade was welcomed and a slight breeze made for a lovely evening;

Even with just a few of us there, a further £29 was raised by the raffle (including chocolates kept in a cool bag) in aid of MAGPAS - thank you so much!

Magpas 
AIR AMBULANCE

Bicker - East Midlands - Lincs Group Fun Day

We had an invite from Celia Dawson for their Fun Day. We unfortunately could not make the event, however a few of our members did, they also had the chance to catch-up with Trevor & Helen too - lovely;

A good turnout of cars, and there looked to be some great games on the day too, maybe something we could look to do for our Region next year????

August - The Month Ahead

This amazing collection of vehicles is displayed against the backdrop of Helmingham Hall and its surrounding moat which sits in the middle of the ancient deer park.

2022 WOTY to Cheshire

Our weekend of the year is firmed up in the town of Weston near Crewe, the heart of Cheshire and a beautiful part of the world to visit. We have chosen the White Lion Hotel, some of its original features dating back to 1652, with its aptly named 1652 Restaurant for us to dine in. Each room offers lovely ensuite accommodation, and we have fully booked the hotel for our stay.

For those that have booked, I'm working on the itinerary (honest!), so further details will follow in the next few weeks.

Dave and Marie have recently been close to Weston and have checked out the hotel for me - thumbs up - and have had a look at a few local places of interest too - thank you!
