

TR Register Shropshire Group's 2025 Spring Tour to The Lake District 18th to 22nd May 2025

Our 2025 Spring tour will take us to the Lake District - not to the touristy Windermere area but to the much quieter North Western part. With less-visited lakes such as Bassenthwaite, Crummock Water and Buttermere on our doorstep as well historic towns such as Cockermouth - not mention the coast, there will something to please everybody.

The roads, too, will not be as busy and we can enjoy picturesque drives across the fells and over the passes.

Our base will be:

Hundith Hill Hotel

Lorton Vale

Cockermouth

Telephone: 01900 822092

Located in the picturesque Lorton Valley, Cockermouth, Hundith Hill is a Country House Hotel, offering stunning views of the Cumbrian countryside and fells. With 25 tastefully decorated bedrooms, 2 dedicated function suites, a fine-dining restaurant, a modern bar and plush lounge, Hundith Hill is the perfect venue for country escapes. Lorton Valley is just one mile from the centre of historic Cockermouth.

Cockermouth is one of only 51 towns in Great Britain designated as a 'Gem' town and is, therefore, recommended for preservation by the State as part of our national heritage.

Lying just outside the boundary of the Lake District National Park, Cockermouth is an attractive market town not overwhelmed by the tourist atmosphere of, say, Keswick and Ambleside. The town is well known locally for its large proportion of high quality, small and friendly independent shops. The National Park boundary encircles nearly the whole eastern side of the town.

Attached is a list of available rooms and their prices. Please telephone the Hundrith Hall Hotel on **01900 822092** to book your room on a first come first served basis. Please do tell the hotel that you are part of the TR Car Club. It is hoped that the hotel will be able to accommodate us all.

The hotel will require a £50 deposit and operates a 48-hour cancellation policy. If you cancel before this, they will return £40 and retain £10.

The tour will be for 4 nights although it is possible to book a 5th night in the hotel. The hotel is unable to accommodate us after the night of Thursday 22nd May.

We will be staying on a half-board basis - Dinner, Bed and Breakfast. A sample menu is attached and, as is usual, we will need to pre-order our evening meals.
