

IT'S BACK! TR's Return to the LAKE DISTRICT!

September 26th -28th

After a long absence from the TR Register calendar, I'm pleased to report that this much missed event is making a comeback ***THIS September*** as a joint TRR/TSOA meeting.

The event will pay homage to its origins and it will be based at Newby Bridge which hosted the event for many years. The start will be at the Lakeside car park on the Saturday and Sunday mornings but people are welcome to arrive on the Friday evening for the traditional pint, meet and greet.

In the past we used to meet up on the Friday evening at the Crown Pub at High Newton but sadly that establishment no longer exists. That being the case when people sign up to take part in the event the location of the Friday night meeting will be emailed out to you.

Please register your interest by emailing me at 1953paulhogan@gmail.com

A £20 deposit per CAR will also be required.
